We book your transfer Faro airport – Climb & Surfcamp Quinta Formosinho, Luz/ Climb & Surfcamp Quinta Formosinho, Luz – Faro airport with a portuguese transfer agency. The driver will pick you up with a name sign and bring you straight to the surfcamp (approx. 1 hour). You can take surfboards for an additional fee.

You can also find cheap shuttle services online. We do not want to recommend or advise against them, as we do not know anything about their reliability.

Car rental

On our property we do have a private, covered parking lot. If you want to be flexible and independent we do recommend you to rent a car even though here in Luz you can do everything by foot and when you come climbing and surfing with us the transport is always included. If you decide for a rental car it is wise to book ahead and from home because this tends to be cheaper. Also: Public transport does not go very early to Faro airport so the only option is to take a transfer service or a rental car.

A cheap and easy way of traveling to our surfcamp is by public transport. You can take a taxi at Faro airport to the bus station/ train station for about 10€ or take a bus for around 2€.

The bus (Eva or REDE) will be around 6€ and takes approx. 2h 10min to get to Lagos. The bus station (Terminal Rhodoviário) in Lagos is right on the Avenida dos Descobrimentos. From the bus station you can take the local ONDA bus to Luz. You need to take the yellow line to Luz and get off at the stop Quinta da Luz and is only 100 m away from us.

The train will be around 7€ and the journey will take approx. 1h 40min. The train station in Lagos is just behind the marina and it is only a very short walk across the marina bridge to the Avenida dos Descobrimentos where the bus station (Terminal Rhodoviário) is.

From the train or the bus station a taxi to our Quinta Formosinho in Praia da Luz is approx. 12€.

Our Accommodation: Climb & Surfcamp Quinta Formosinho

Our Climb & Surfcamp is situated in a renovated, traditional farmhouse-the Quinta Formosinho. With its huge garden & pool area it is perfect for families. For hungry nights there is the BBQ; for privacy you have your own terrace or balcony. Relax, surf & climb with us!

In our Quinta – or farm by the sea as we love to say - you live in a typical portuguese style rustic apartment with the typical 'azulejos', Algarvian style couches, antique furniture and decorative carafes in the garden area. The great view over Luz valley with many possibilities of hikes nearby is as great as the short 10 min-walk to the Praia da Luz. You can also just stay in the apartment complex and wander through the big garden through orange, lemon, medronho & fig trees or visit the chickens and pigs. If you feel more like relaxing, splash in the big pool or lay down in the shade underneath an umbrella or a big tree. If your kids - or you - feel like being active and play you can either try yourself in table tennis, enjoy our private playground or play hide and seek on the farm ;) Enjoy the evening in the BBQ-Area. To be active within the Algarve just ask us: We ourselves offer surfing, kids & family surf classes, climbing, pilates & yoga and SUP - for other activities we like to inform you about possibilities in the Lagos area. The activities run by us start directly from our property and pilates and yoga are done in the garden or by the pool.

Enjoy free access to Wi-Fi in the common area. We also offer some useful things that make holidays easier: washing mashine (incl. washing powder = 3€) & drying area.

As we live on the property as your neighbor, we are happy to help you out with any questions and requests - let it be for activities in the area, the apartment or suggestions for restaurants etc. Sharing is caring ;)
